**Some time has
passed since I
wasn't able to
ride a bike. "For
someone living
on the edge, a
bike is a really
dangerous
vehicle." While I
was receiving that
sermon from the
master, I felt that
a period of
sadness was
upon me, and I
somehow felt like
I had lost
something.**

OOH

THERE ISN'T MUCH
DIFFERENT BETWEEN
YOU AND TAKAYANAGI
PHYSICALLY, WHAT YOU
LACK IS THAT CONCEPT
AND THE CONCENTRATION
TO MANIPULATE YOUR
"POWER"

YOU MUST
ASCERTAIN
THE "FLOW",
"QUANTITY",
AND "QUALITY"
OF POWER, THE
SOURCE OF
THE
"FIGHTING
SPIRIT."

...
WHAT
SHOULD
I DO
NEXT.
...?

...
...
SO

THE FIVE
TYPES OF
OPPOSING
FORCES OF
HUMANITY
(??)

JUST AS I
WAS TOLD, 20
KM IN 1 HOUR 10
MINUTES. JUST.
EVEN A MARATHON
RUNNER
WOULD BE
SHOCKED!

"IF IT MOVES
TOO MUCH, IT
GIVES BIRTH TO
THE YIN, IF IT'S
TOO QUIET IT GIVES
BIRTH TO THE YANG,
THE FORM
CONCEIVES THE
SPIRIT, THE SPIRIT
TRANSFORMS
INTO THE
SOUL"

FIRST
YOU SHOULD
FLUSH OUT ALL OF THE
POISON OF TOBACO FROM
YOUR SYSTEM. RUN AND
RUN SO YOU CAN GREATLY
IMPROVE YOUR RESERVE
OF OXYGEN. JUST BY
DOING THAT YOU'LL
BECOME MANY TIMES
STRONGER THAN YOU
ARE NOW

YOU WERE
BLESSED WITH
A GREAT BODY,
AND HAVE THE
CHARACTERISTIC
FLEXIBILITY,
SPRINGINESS,
AND ABILITY TO
EXTEND YOUR
TENDONS OF
BLACK PEOPLE

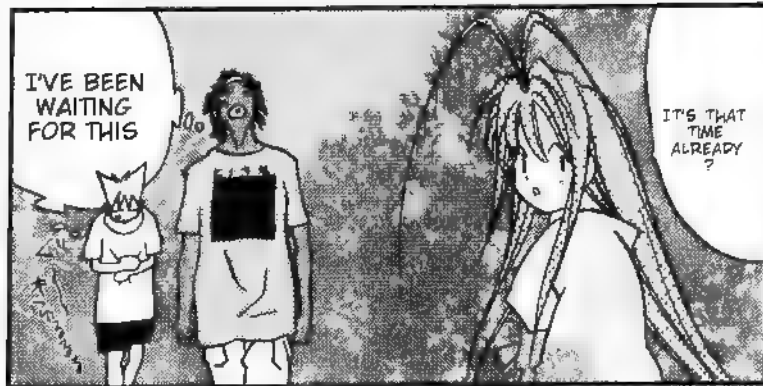

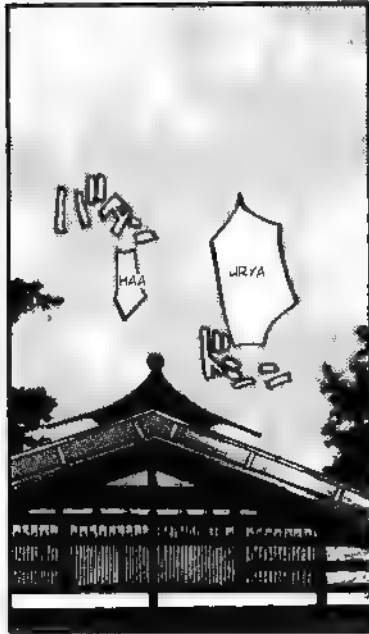

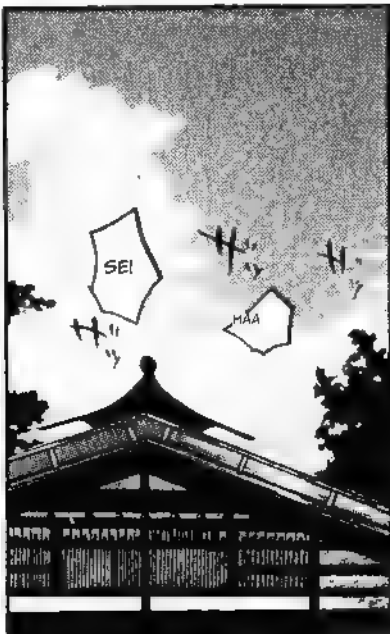

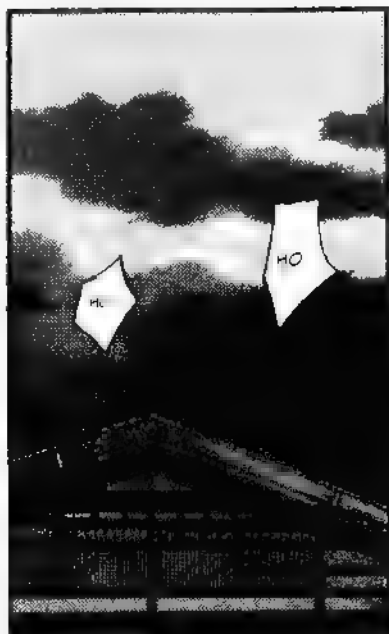

AT ANY RATE,
YOU ARE IN THE
MIDDLE OF YOUR GROWTH. AT
THIS POINT, IT MIGHT EVEN BE
FEASIBLE FOR YOU TO LEARN
EVERYTHING
OVER
FROM THE
BEGINNING .

IF YOU PUT
THIS ASIDE NOW,
I DON'T THINK THE
OPPORTUNITY WILL
EVER COME TO
YOU
AGAIN!!

* The tissue in Takayanagi's nose is to stop a nose bleed. In Japan, when boys see cute girls in sexually compromising situations, they are believed to get bloody noses. This probably comes from Takayanagi's early morning encounter with Aya.

Postscript

Initial development. Part 2.

Maya is pretty good... "Breaking the Speed of Sound Barrier Punch", "Dragon Human Gang", "Old Man" ... And even the leader of the "Big Four" group (j/k). I was amazing man, two years ago! ... That's what I thought, but even now I don't feel like I've changed much. According to this, at first Maya was an enemy character. Even I completely forgot that ... Ryuzaki was fused with Nishikawa to get his current form. The old man will show up in a little while. It would be great if he could make it by the 3rd volume.

The Big Four

Natsume Maya.
Aya's older sister. She can change her form in the same way. She has (can't read.) She's Bob's rival.

"Nishikawa" from Hokusa. Has the "Faster than the speed of sound punch".

"Ryuzaki" who usually uses fire energy. One of the guys in the "Human Dragon Gang" that has a really unusual body.

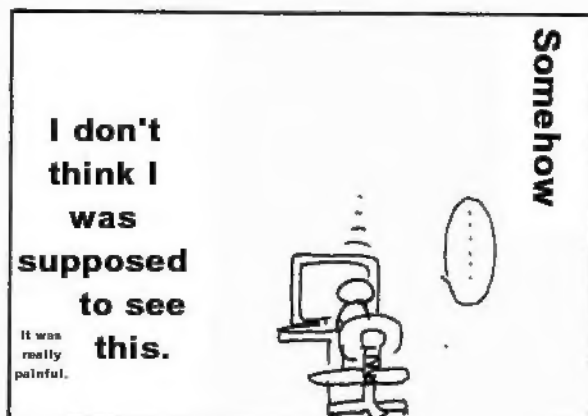

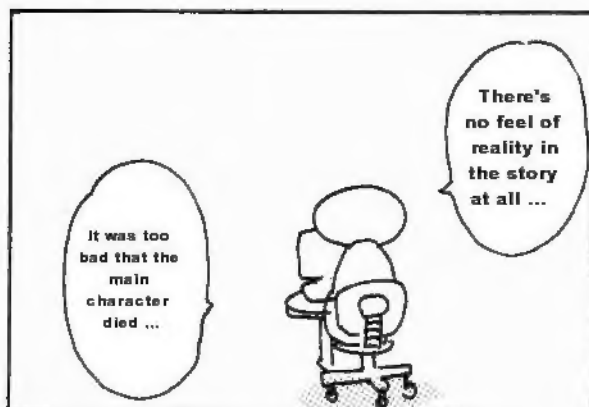

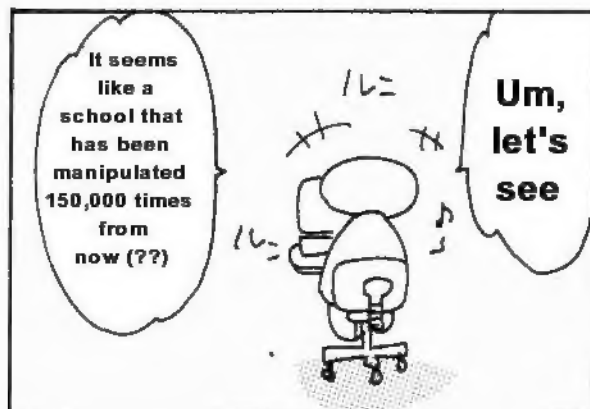

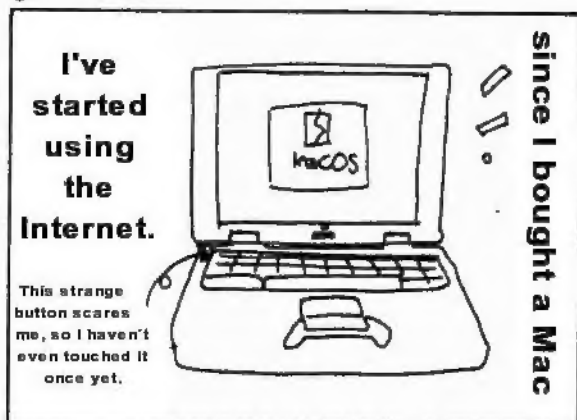

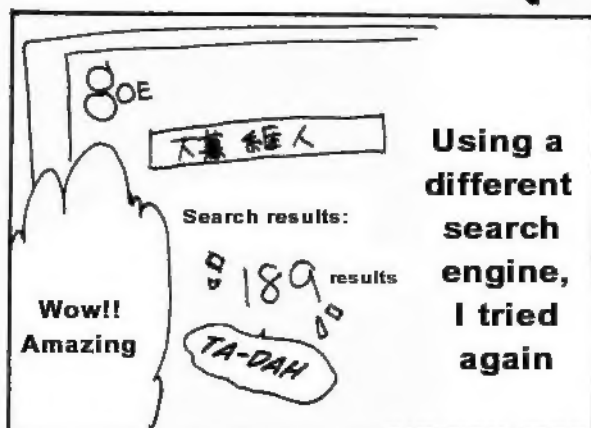

Group leader (can't read)

"Old Man" (18 years old) who is said to be the strongest of the "Big Four". He's almighty and has mastered all of the fighting arts. He's the real leader. He even knows "pentagon".

Even when he transforms, he still stays the same height. In order to grow he's worked hard enough to come this far.

I'm an "Inter" !?

Of course, as usual, in order to get this to the publisher I can't sleep ...

While writing and drawing this page, I eventually get tired ...

is serialized in

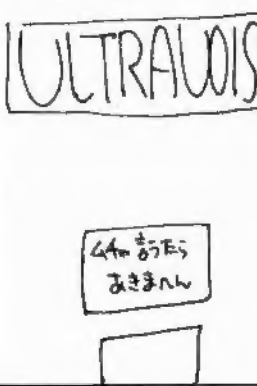

I went to the home page of Ultra Jump that this manga

Including stuff from other companies, this is my 6th volume, but it is the first time I've gotten to a 2nd in a series

Before you know it, "TenTen" is already up to 2 volumes

Lots of people write stuff in the "TenTen" room also

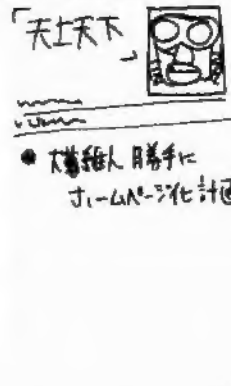

There's a page here called the "Ultra Jump" staff room where people can post their opinions, put up gags, and so on

happy

I'm kind of

In other words, what do I want?

I wrote a diary entry about a plan to change people's home page to that page

Please continue to support me

So I'm going to keep working my hardest

publicity

Just for you to go there once and take a look
